### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Thoburn T Dunlap, Esq. on 02 December 2004.

Restriction was presented to Applicants between five groups of claims, each to different compositions, with the claims grouped as follows:

Group I, claims 3-5, 8-12, 40, 41, 47, 61 and 62; Group II, claims 13-19, 35-37 and 42-46; Group III, claims 20-26 and 38; Group IV, claims 27-34 and 39; Group V, claims 522-60 (process of making a composition).

Applicants elected Group I, and authorized cancellation of the non-elected claims while reserving all rights to file divisional application(s) to the subject matter therein.

The application has been amended as follows: Claims 13-39, 42-46 and 52-60, to non-elected invention(s), have been cancelled.

### **REASONS FOR ALLOWANCE**

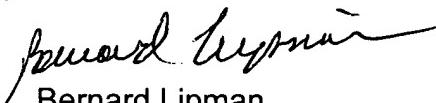

The following is an examiner's statement of reasons for allowance: The prior art neither teaches nor suggests the combination of the specific polymers of the claimed composition with the required three dimensional network, in combination with the surfactant and pH controlling additives. Applicants' claims are, therefore, both novel and unobvious over the closest prior art as cited.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bernard Lipman whose telephone number is 571-272-1105. The examiner can normally be reached on 8-5 Mon-Fri.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Wu can be reached on 571-272-1114. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
